## Bill 57 Update

The CANB would like to inform you that, unfortunately, the House was adjourned before Bill 57, an Act to Amend the Cosmetology Act, was passed.

We will continue to work to ensure this piece of legislation is included in our Act in the near future.

## Important Notice

We would like to remind members that only cosmetologists practicing under an Eyelash Technician license or a Lash & Brow Technician license are permitted to offer lash lift and lash extension services.

## The CANB is Proud

The CANB is incredibly proud to represent cosmetologists around the province in an industry that brings joy to so many people.

We are grateful to stand tall behind our members who play a central role in their clients' network of care!
