## Thank You!

The Cosmetologists Unite celebration was a success! We are so incredibly grateful for the more than 450 cosmetology professionals from the Maritime provinces who attended this joint celebration hosted by the Cosmetology Associations of New Brunswick and Nova Scotia.

The action-packed weekend included education and training sessions, social events and entertainment, vendors, prizes, and competitions, giving the chance to our incredible members working in our professional industry to come together, learn, celebrate, and compete.

We would like to thank all of the participants, sponsors, vendors, trainers, administrative teams, and partners for making this brilliant 3-day event so memorable. Stay tuned over the next few months for announcements about our next celebration!

## We Were DAZZLED by Your Talents

Over the weekend, creative and talented teams showcased their extraordinary skills and passion for their craft, leaving the audience in awe of their “cutting-edge” creations. Competing in the following categories - Diamond Fantasy Updo Teams and Nail Enhancement Artistic - the competitors made our industry proud!

Keep an eye out for next month's newsletter as we will be sharing more pictures and announcing the competition's winners!
