

The Highlight of our Industry

As your professional self-regulatory licensing body, we recognize that our Association is home to some of the most skilled cosmetology professionals in the country. Knowing that, we want to spread the word and highlight the amazing work that our members are doing!

Introducing our newest segment, **Member Spotlight**, we aim to showcase the exceptional talents and achievements of our cosmetology professionals. Through this initiative, we strive to celebrate the dedication and creativity of our members, fostering a sense of community and inspiring others within the industry.

Want to be featured in next month's newsletter? Please send an email to generalinfo@canb.ca and tell us about your accomplishments and notable achievements.

We look forward to celebrating YOU!

211 New Brunswick – New Resource Alert

At CANB, we believe in the importance of industry support and take pride in serving as a valuable resource library for our members.

Join the Conversation

Working with a wide variety of demographics, cosmetologists have a rare insight into the needs of their most vulnerable clients. Indeed, as trusted confidantes, they have the opportunity to play a crucial role in enhancing the physical and mental well-being of their clients.

The CANB is partnering with the New Brunswick Department of Health in inviting you to a focus group on **January 23, 2024, at 6:30 pm** to discuss your experience in working with seniors (age 65+) and other vulnerable groups. The GNB wants to understand it can best support CANB members address the needs of that demographic and want to gain

insights into the observations and challenges encountered by beauty professionals when serving senior and vulnerable clients, both within the salon and in client homes.
